

Immunization Policy

The American Institute of Interior Design does not require any specific vaccinations; however we do encourage students to ensure they are up to date on all vaccinations/immunizations for their general well-being.

Such immunizations include, but are not limited to:

- Measles
- Rubella (German Measles)
- Mumps
- Tetanus, Diphtheria
- Meningitis
- Tuberculosis
- Influenza (Flu)

Students should see their Primary Care Provider for further information and availability of Immunization options. As an alternative to a Primary Care Provider, students can use resources such as a Community Wellness center. Following are some community centers nearby campus:

MT HEALTHCARE HEALTH SERVICES CLINIC

3225 N. Civic Center Plaza Suite 10
Scottsdale, AZ 85257-3818
Phone: 480-941-9283
